VOL. XLVIII. UPLAND, CALIFORNIA, TUESDAY, SEPTEMBER 29, 1942. NO. 42.

Disaster Relief Shelters Designated by Red Cross

14 SHELTERS WILL SERVE EMERGENCY CAPACITY OF 2,395

Moving to organize and set up adequate, centralized shelters for use in any disaster emergency, such shelters have been arranged under the direction of E. E. Hawthorne, chairman of Upland Red Cross disaster relief committee.

The shelters will provide refuge for any who may have to leave their homes, and are set up to forestall scenes of hysteria and panic which might arise, thus making the task of relief workers less complicated. Lessening danger from sickness in case of inclement weather is also a primary object of the shelters.

IN PUBLIC BUILDINGS

All shelters nearest any scene of disaster will be thrown open for immediate use and, in order that authorized workers at the scene of any incident may be familiar with the location of shelters so as to be able to direct people to them, the locations have been listed for publication. It will be noted that all shelters are housed in schools, churches, and lodge rooms, making their locations easier to remember.

Shelter arrangements have been made by the shelter committee, a sub-committee of the disaster relief group, with W. F. Rugg, chairman; A. C. Reynolds and Harlan Horak members of the committee. Following any immediate emergency, plans call for the removal of evacuees to better equipped shelters.

LOCATIONS

Fourteen emergency shelters in Upland are located at:

Beulah college, 792 West Arrow highway, capacity 165.

Brethren in Christ church, Third avenue and F street, capacity 75.

Eighteenth Street school, 245 West Eighteenth street, capacity 50.

First Presbyterian church, Ninth street and Euclid avenue, capacity 125.

Odd Fellows hall, 299½ Second avenue, capacity 80.

Mennonite church, 379 North Campus avenue, capacity 200.

Red Hill Country club, Red Hill, capacity 150.

Sierra Vista school, 1304 North Campus avenue, capacity 125.

Upland Elementary school, Fifth avenue and Arrow highway, capacity 350.

Upland junior high school, 444 East Eleventh street, capacity 500.

Upland Masonic temple, Ruedy hall, capacity 125.

Upland Methodist church, Euclid avenue at C street, capacity 250.

Upland Nazarene church, Third avenue and Ninth street, capacity 125.

St. Mark's Episcopal church, Euclid avenue at D street, capacity 75.

The maximum total capacity of all Upland shelters is 2,395. It will be noted that the Upland Woman's club has not been designated a shelter. This is due to the fact that it already is designated as a first aid station which, it is felt, eliminates it from availability for shelter use.

James Colgan Goes Into Naval Training

James R. Colgan has increased by one the number of Upland men now in the United States navy. Mr. Colgan, employed on the mechanical staff at the Alan A. Couch Chevrolet agency in Upland, enlisted in the navy some time ago and on Thursday of last week he was called to the San Diego naval base to begin training.

Mrs. Colgan is remaining in their home, 649 East G street, Ontario, and for the present Mr. Colgan's parents, Dr. and Mrs. A. J. Colgan, 469 North Second avenue, Upland, will reside with her.

First War Primary Class Embarks on Study of Three R's

Upland first graders embarking upon their full-fledged school career this year at the Elementary school include the following:

In Mrs. Esther Kremer's room: Albert Alexander, Merle Arneson, Kenneth Asper, Benjamin Atkinson, Carollee Berry, James Bessant, Annie Briggs, Joe Bruce, Conrad Byars, Kenneth Cook, Tommy Dickens, Bonnie Evans, Mary Evers, Caroline Gage, Joanne Hames, Lo Hoyos, Nina Keefer, Jeanette Langston, Arthur Lawrence, June Long, Dickie Lorenz, Marilyn McIntosh, Curtis Morgan, Peggy Myers, Bobby Neilson, Roger Olson, Harold Palmer, Marilyn Paulin, Patricia Reed, Felita Setiz, Glenda Stacy, Carol Washburn, Creighton Stevens, Mary Weller, David Heatley, and June Taylor.

In Miss Helen K. Moehle's room: Rosita Barrios, Edith Bateman, Patricia Conley, Sarah Campbell, Carol Davis, Lois Duncan, Barbara Dowse, Sharon Elder, Beverly Hunter, Carol Koester, Wanda Morgan, Peggy Myers, Helen Rodriguez, Deanna Rowe, Barbara Mahler, Tommy Beard, Donald Goalby, James Haase, Lloyd Hensley, Elmer Jeran, Franklin Kasper, Douglas Lamb, Stuart McLaughlin, Monte Price, Ronald Rose, Ronald Ward, Aran Zimmerman, Robert Thompson, Roy Lewman, Floyd Smith, Manuel Hangca, Maurice Young, James Van.

AUXILIARY POLICE BANQUET TUESDAY

With over 160 tickets already out for the civic banquet honoring Upland Auxiliary police, to take place next Tuesday evening, October 6, a week from tonight, Chief of Police Eugene L. Mueller expressed the hope that 200 or more citizens would be present for the event, which will mark the commissioning of this city's auxiliary police force of some 30 members.

San Bernardino county Superior Court Judge Benjamin F. Warmer will be present to administer the oath of office to the new police aides, who recently completed an intensive course of training to equip them to supplement the work of regular police.

Speaker of the evening will be Harold W. Kennedy, assistant to the Los Angeles county council, in charge of civilian defense in that county, as well as state director of county civilian defense organization, appointed by Governor Olson. A leading civilian defense authority and well known as an outstanding west coast municipal official, Mr. Kennedy's talk promises an interesting insight into the organization and operation of civilian defense.

Also a guest of honor will be C. E. Grier, chairman of San Bernardino county board of supervisors, as well as chairman of the county civilian defense council, who will talk briefly. Sheriff Emmet L. Shay, District Attorney Jerome B. Kavanaugh, and Assistant District Attorney John Knauf also will attend the banquet with Upland city and civic officials and leaders.

Tickets still are on sale with any of the Auxiliary policemen, Chief Mueller or Upland chamber of commerce.

LOST DOG BEING HELD

Anyone missing a Kerry Blue or Airdale dog? Dr. Lilian F. Baxter reported to Upland police on Saturday that she had found a dog answering such description, and said that the owner might call at her place for the animal.

200 VOLUNTEERS FOR BLOOD BANK IS UPLAND GOAL

Volunteering to be Red Cross blood donors, members of Upland police department, led by Chief of Police E. L. Mueller, and members of Upland Auxiliary police force, led by Captain Oris Heinauer, today are subscribing their names to the long roll of Upland citizens who are giving this service to the nation, in addition to their already generous service to the community.

With around 160 persons signed up as donors for the Red Cross blood bank, Ernest H. Gibson, chairman of the drive for volunteers, urges that volunteers continue to offer their service so that the mobile unit which will be sent here to take blood will have two good full days of work.

The unit can handle 100 people a day, Mr. Gibson said, so 200 is the goal in order that its facilities may be fully employed in Upland.

Prospects are good, he said, that a Red Cross mobile unit might be here soon. He has been informed by Los Angeles headquarters that the unit now in use is booked well ahead, but another unit has been ordered and is expected to arrive in Southern California for use within another week or 10 days. Upon its arrival, Upland will be advised when to expect it here, Mr. Gibson said.

Volunteers for the blood donor service may sign up with Mr. Gibson at the Empire Realty and Mortgage company office, 178 East Ninth street, or at Upland chamber of commerce. Latest volunteers on the blood donor roll include:

Mrs. Roy Phillips, Mrs. Islay Maxwell, Mrs. P. R. Daggs, Mrs. Lulu R. Atwood, D. J. Cameron, Mrs. Keith Koehler, P. T. Losson, Mrs. Clyde DuVall, Mrs. H. A. Cooley, Mrs. Marie P. Wass, Miss Avis Jennisen, Mrs. Helen Fast, Donald Ellis, T. C. Manchester, Mrs. Mildred M. Stager, Ivan D. McFadden and Mrs. Vernon V. Paine.

SCHOOL ATTENDANCE IN FIRST WEEK GAIN

Making a heavy gain in registrations during the past week, attendance at Upland schools reported as of yesterday, the beginning of the second week of school, stood at 888, or only 10 below registration of the comparable date a year ago, which was 898, it is shown by figures released by Superintendent Harold W. Cook.

With opening day registrations for all Upland schools 40 below that for a year ago, the first week has come out well, only 10 below a year ago. At the beginning of the second week, Upland Elementary school registration has increased to 433 or 35 more pupils than last year.

Sierra Vista school yesterday brought its first day registration of 53 up to 81 to start the second week. Last year there were 80 registrations the first day.

Second week registrations found the junior high school increase from 259 to 275; the Elementary school from 408 to 433; the Sierra Vista school from 53 to 80; the Eighteenth Street school from 43 to 50; the kindergarten from 35 to 49.

Some increase still can be expected, Mr. Cook indicated, as pupils return who now are out full time on work permits assisting with the harvesting of crops.

Mrs. Sadie Benner, 433 North Eighth avenue, went to Long Beach Monday to spend a week with her daughter, Mrs. Byron Crumbley. During the week she also will visit her son and daughter-in-law, Mr. and Mrs. Raymond Benner and their baby son in Los Angeles.

WPB Release of Long-Purchased Fire Truck Brings Elation at City Hall

Yesterday, just nine months to the day from the date of purchase, Fire Chief J. W. Voth, acting for the city of Upland, took possession of the new fire truck chassis purchased from the Alan A. Couch Chevrolet agency last December 28, 1941.

After long months of effort, and following a season of unusually disastrous fires, the city yesterday morning received a release from WPB, with approval of the war department, giving the city delivery of its truck.

TAKES NO CHANCES

And not leaving anything to whim or chance again, Chief Voth promptly took delivery of the machine. He vividly remembered when he could have taken delivery in December, but left it in the garage to be serviced, only to have it caught in the presidential freezing order. So, with the thawing-out order in hand, he lost no time in getting the truck out of "cold storage',, and will have it serviced later.

During the intervening nine months, every effort has been made by City Manager R. G. Manley, Chief Voth, the Couch garage and county agencies to secure release of the truck for fire purposes. With every application blocked practically at first base, it almost began to seem as though Washington was intent on fiddling while Upland burned, as the impounded truck could have been of great assistance in both the U. S. Standlea and the junior high school fires.

So the city hall was filled with elation yesterday morning when WPB's release of the truck was received. City Manager Manley and Chief Voth expressed great satisfaction at being able to aug-

(Continued on Page Four)

"Come On---Get In the Scrap!"

The young salvage gatherer here depicted might well represent Upland youngsters, who this week are aiding in the city-wide drive and collection to get the scrap into the scrap. Upland school children are carrying a special message to their parents to round up all junk and get it onto the curbs ready to be picked up when trucks make the rounds this Friday.

POLICE ALERT FOR ALIENS AT LARGE

Upland police drive on vagrants and transients was spurred yesterday afternoon when the department was warned in a control broadcast to be on the alert to apprehend two escaped German aliens.

Reported escaped from a concentration camp in Texas and believed to be riding freight trains in an effort to reach the west coast, the men are Henrich Peter Fosbender, 24, 5 feet 8 inches tall, weighing about 122 pounds, hazel eyes, with eagle tatooed on arm; and Herbert Reckscheidt, 34, 6 feet tall, weighing about 185 pounds, blue eyes, and blond.

For the past two weeks all transients have been picked up by local police. Among them was one man wanted by the FBI, one unregistered alien, and several without draft registration cards

CAMP DAY ROOM DRIVE IS PUSHED

The drive for furniture with which to furnish army camp day rooms in San Bernardino county and which was inaugurated last week by Upland Red Cross camp and hospital committee, under the direction of Mrs. John B. Craig, chairman, will get under way soon with completon of arrangements for an intensive canvass.

All local organizations are desired to participate in the work which is to be undertaken, it is said by Mrs. Craig, who declared this morning that no group or organization had been omitted intentionally.

"If any such omission has occurred," she said, "it will be appreciated very much if group leaders will get in touch with me, and make known their desire to aid in this community-wide camp welfare effort. We sincerely want every civic, religious, fraternal and social group or organization represented in this very important work."

OCTOBER 14 SET FOR CHEST DRIVE TO RAISE $2,500

Upland Community chest drive, with its goal set at $2,500, is scheduled to open on Wednesday, October 14, it is announced this morning by Henry M. Busch, 1942 chairman of the annual city-wide welfare effort.

Plans for the drive were made last night at a meeting of several members of the committee, who met with Mr. Busch at District Girl Scout house here. Serving on the committee are Howard Mason, representing the Boy Scouts of Old Baldy council; Mrs. Warren Wass, representing Chaffey district Girl Scouts; Mrs. Earl Johnson, representing the Baby fund, and Mrs. Hal B. Harlow, representing Upland Junior Welfare League.

WAR NEEDS STRESSED

It is hoped by the committee that all contributors will be generous this year. More than ever in war time, the agencies supported by the community chest need every assistance to carry on a program which will meet the increasing demands of turbulent conditions, it is pointed out.

Attention is directed to the work of both Boy and Girl Scout movements in providing increased activity to relieve the strain of war. Aid given the war effort by both Scout organizations is stressed. Boy Scouts are serving as messengers in civilian defense, are aiding in salvage collection and are trained to render first aid and give general emergency service. Girl Scouts too are aiding in collecting salvage, and during the past year made 5,000 red fag bags for the forestry service to help curb danger from thoughtlessly set forest fires.

The Sick Baby fund, it is said, is meeting increasing needs and in its department of public service the Junior Welfare League is maintaining its clothing department and other service aids.

HELP SAVE TIRES

Uplanders will receive their first letter from the community chest drive committee on October 14, with a followup reminder scheduled to reach those who have not responded to the first letter on October 21. On October 28 personal solicitiation will be undertaken to wind up the drive, Mr Busch said.

BUILDING IS UP, BUT STILL LOW

Nearing the end of the month Upland building permits total $2,530 for September to date, a figure which is nearly equal to the combined building for both July and August, which totaled $2,710.

Permits issued this morning include alterations to the Beecher Hungerford residence, 741 North Euclid avenue, and roof repairs to the Roy Creighton residence, 756 Washington boulevard.

Other recent permits include: construction of a tool shed at the Dr. John B. Craig residence, 740 West Arrow highway; rerooing of the residence at 400 Sixth avenue owned by B. L. Decker, 407 Sixth avenue; rerooing of the Owen Atwood residence, 444 North Ninth avenue, and demolition of an old building and rebuilding it into a workshop at the G. E. Schmidt residence, 425 East Arrow highway.

Mrs. George Cassell, 756 North Third avenue, who underwent a major operation on Friday, September 25, at Green Memorial hospital, is reported making a good recovery. It is expected that Mrs. Cassell will be able to return to her work in the city water department and city manager's office some time the middle or latter part of October. Mrs. Owen Davis is substituting for Mrs. Cassell in the city office.

Get Scrap Piles on Curb For Truck Pickup Friday

Bees Register Ire When Smoke Gets In Eyes at Fire

Upland firemen usually find that where there's smoke, there's fire, but it is unusual when the smoke makes the fire hot.

However, when they answered an alarm around 2 p. m. Saturday when a fire was reported in the city dump at Thirteenth avenue and Ninth street, they found that smoke can make a fire awfully hot, especially when it gets into beehives near the scene of the fire.

The dump fire did not amount to much, burning a little brush and grass in the vicinity, it is reported by Fire Chief J. W. Voth, but the smoked out bees got hotter than the fire. When the smoke got into hives reportedly belonging to George Cutler, the bees did not appreciate efforts of firemen to save them, as water on the fire only made the smoke more intense and the bees more determined to resist their deliverers.

Result was that Firemen C. O. Deverts and Harold Long got on the receiving end of some of the hot-spot, fire-inspired bees. Later in the day when Chief Voth was making an inspection of the fire scene, he was stung on the arm by a bee, nursing a hangover from the fire.

DIVIDEND FUNDS GET NEW START

Another week of "sharing in dividends" is here.

In the Upland News' food advertisng fund is $15.

In the merchants' dividend day fund for Saturday will be $49.

Mrs. D. H. Ward, 351 East Foothill boulevard, won $67.50 last Thursday in the food fund. She had a sales slip showing purchases of last Thursday and thus won all the money.

This fund, therefore, is at a new start with $15 being offered by The News to some local resident Thursday evening. To qualify, persons are to buy at one or more of the stores advertising in today's Upland News on either Wednesday or Thursday. The purchases must total at least $1.

An address will be selected from The News' complete residential directory and the money will be offered to the person selected.

Mrs. Chris Walter, 295 South First avenue, failed to win $25 offered in the dividend day fund because she did not have any sales slips. She was given $1 as a consolation award.

Mrs. T. I. LaPlant, 506 East Eleventh street, enjoyed a surprise visit Sunday from her son-in-law and daughter, Mr. and Mrs. C. D. Adams and their sons, Donald and James, of North Hollywood.

SYNTHETIC RUBBER FASCINATES ROTARY

Synthetic rubber was the all-absorbing question discussed at Rotary luncheon this noon by Dr. C. J. Robinson, Pomona college professor of chemistry, who was the guest speaker.

Dr. Robinson gave a brief history of the synthetic rubber industry which, he said, dates back to 1932 in this country. If it were not for this ten-year start, this country would not be able to produce synthetic rubber at all now, as it usually takes as long as ten years to develop a product, he emphasized.

Nylon, he pointed out, required 10 years and $20,000,000 for its development before it was ever placed on the market. His description of the experimental development and eventual manufacture of synthetic rubber proved very fascinating to his hearers.

JUNIOR HI BOYS WILL HELP MOVE SCRAP TO CURB

Upland is called upon this week to throw its weight of scrap into the great nation-wide drive to round up all junk to keep the smelters blasting away in a full scale attack on the war effort, and in their drive to get people to dig up all scrap materials, Upland salvage wardens will have the full cooperation of Upland school children to pile city curbs high with junk to be collected this Friday.

MANY TRUCKS READY

A fleet of trucks will traverse every Upland street on Friday, is the assurance given by Howard Mason, salvage chairman, who, together with district wardens and school children urge that every home rout out every piece of idle junk that is soldiering for the Axis, and place it on curbs for collection.

Aiding and augmenting the efforts of Upland salvage wardens, Upland school children this week will add their efforts to the drive, telling their parents of the salvage effort and urging that all junk about homes be rounded up and sent on its way to war. Under the direction of Ernest Camfield, the Boys' League of the junior high school will coordinate its efforts to aid the main scrap drive.

BOYS WILL HELP

Members of the league will be available to assist district wardens in canvassing every neighborhood, and in addition will aid householders in getting their junk moved from backyards to front curbs. Instead of the school carrying on its own independent drive, as is being done in so many cities, it is pointed out by Superintendent Harold W. Cook that the Upland school effort is being subordinated to and coordinated with the city-wide salvage drive to ensure the greatest possible results from the scrap roundup now under way.

MAKE IT SCRAPPY

All who have any part in the drive urge a complete cleanup of every home, every grove, every lot, and every single business establishment in the city. Make it a clean sweep, Mr. Mason and his assistants urge. Have all junk out on the curbs as early as possible Friday.

Friday it is everybody's scrap, and Upland wants to weigh in good and strong.

Dairy Threatened By Spectacular Fire Last Night

Fire of undetermined origin about 9:15 o'clock last night destroyed about five tons of straw in a spectacular blaze at the Shady Grove dairy, at East Seventh street and Grove avenue, it is reported by Fire Chief J. W. Voth.

Upland fire department, aided by three state forestry fire trucks, kept the flames from doing any extensive structural damage other than to burn some fences, it is said. Although one building was threatened, prompt action by firemen kept the fire from spreading to it.

Fire damage amounted to about $150, it is reported today by C. S. Musser, proprietor of the dairy.

Mrs. Ada W. Galentine, 520 North Laurel avenue, spent the past week end in Pasadena visiting her son-in-law and daughter, Mr. and Mrs. Eugene E. Bean (Ruth Galentine) and their small children, Gregory and Cynthia.

Application for a marriage license has been filed with Mrs. Fred H. Jacobs, deputy license clerk, by Clive Floyd Warner of Camp Callan, near San Diego, and Miss Exie Jean Stevens of 1690 North San Antonio avenue, Upland.

End of War Will Be In Sight Within a Year

Experts, of course, can give you definite reasons for their beliefs about how long the war will continue, but as for a layman, we can only shoot in the dark and give an optimistic prediction.

Within a year, the end will be in sight.

Why? We are aware the headlines tell us almost every day the Allied Nations have their backs to the wall. Not one major aggressive victory has been won. On the far-flung defensive fronts only occasionally is there a major accomplishment on the part of the Allied Nations.

Nevertheless, there is solid basis for optimism. On the far-flung fronts, the strength of the Allied nations is just beginning to be felt. There has been a very definite turn in the tide. Name any major front and you refer to a virtual standstill of the Axis forces.

A humorous paragraph in one of the current magazines has a good point. The count in a baseball game is 18 to 0. A fellow on the losing side isn't downhearted and declares: "We haven't been up to bat yet."

It's the Allied Nations' turn to go places now. After the first three years of the war, the Allied Nations are now just able to match the powerful forces of Germany and Japan, which had been geared to war preparations for years.

It's our turn now with the United States' gigantic industrial forces getting into high gear. It's Germany's turn to suffer the nightly bombings and all the horror that goes with them. A few months of that and things will change.

Once there is a split in the Axis forces, the end cannot be far off. Perhaps the Japs will be the last to quit. But quit they will when Hitler is out of the way and with the united strength of the Allies pointed toward the west.

And so it is that we can see an early end.

Of course, this isn't the time to predict the end. It is the time to give every last ounce of support to the war effort—in dollars and cents, in scrap metal, in rubber, in fats and oils—and in the building of morale.

Silver Link Rebekahs Plan Guest Night During Meeting

Preceded by a contributed dish dinner served at 6:30, the regular meeting of Silver Link Rebekah lodge was held Friday evening in the I. O. O. F. hall.

The lodge meeting was conducted by Mrs. Archie J. Robinson, noble grand, and during the business session plans were made to observe guest night at the next meeting, which will be held on Oct. 9.

Representatives of the Claremont lodge were guests at the meeting and participated in the social hour that followed the lodge session.

A family of two can save enough grease from their breakfast bacon in a month to fire three anti-tank gun shells. Save waste fats to make explosives.

The tough part is the mourning after the night before.

Woman's Auxiliary To Sons Makes Plans For Future

Members of the Woman's Auxiliary to the Sons of UnionVeterans, in response to a request from the Ontario Service clubs, will have charge of the Ontario canteen on Thursday.

The canteen sponsors made the request several days ago and during a recent meeting of the Woman's Auxiliary the president, Mrs. Oran E. Burt named a committee for that day, the personnel being Mrs. Guy Paine, chairman; Mrs. W. H. Klepper, Mrs. Earl F. Riggs, Lulu Van Wye and Lulu Williams.

During the meeting plans were made for the reception to be held in the W. R. C. Memorial hall in Ontario on Oct. 20 for the Sons of Veterans and the Woman's Auxiliary department officers. It was decided to precede the reception with a contributed dish dinner.

Announcement was made that the department inspector will make her offical visit to the Auxiliary on Oct. 27, and plans were made for that event.

By vote of the members the Auxiliary by-laws were changed to require only one regular meeting each month.

Twenty-one members were present and several visitors from the Sons camp were in attendance.

Woman's Club to Make Special Offer to New Members

Plans for their annual membership campaign were discussed during a special meeting of the executive board of the Upland Woman's club held Monday morning in the club house at the call of the president, Mrs. L. E. Moser.

From now until, and including, the day of the club's first fall meeting on the second Tuesday in October, invitations will be extended to women of the community to join the club. All who do join by that time may do so without paying the usual admission fee, only the membership fee being required.

Already a number of new members have been secured and a large increase in membership is expected.

The new year books and other matters also were discussed during the morning.

This special meeting does not take the place of the regular monthly board meeting, which will be held next Monday morning, Mrs. Moser stated.

In attendance were Mrs. Moser, Mrs. Marion Maxwell, Mrs. Harold Hemingway, Mrs. J. Emery Sargent, Mrs. S. M. Jessup, Mrs. Glenn M. Atwood, Mrs. Flora S. Allen, Mrs. Wilbur Rider, Mrs. J F. Sawyer, Mrs. Ada W. Galentine and Mrs. Ray C. Norton.

Wesleyan Bible Class Resumes Monthly Meetings

Gathering for the first time this fall, members of the Wesleyan Bible class of the First Methodist church resumed their monthly social meetings Friday, when they held a luncheon session in Fellowship hall.

The contributed dish luncheon was served at noon at tables made attractive with zinnias and rose geraniums from Mrs. Mary Waterman's garden. The flowers later were sent to the homes of the sick.

Luncheon hostesses were Mrs. Flora S. Allen, president of the class, who served as chairman of the committee; Mrs. Frances Nafius and Mrs. Mary Waterman.

Following the luncheon, Mrs. Dora Hilbert conducted the devotional service and she and Mrs. Virginia Eberly each read a poem.

During the remainder of the afternoon the women did Red Cross sewing and knitting and while they worked they held a business session, with Mrs. Allen presiding.

In attendance were Dr. and Mrs. Samuel Hughes, Mrs. Minnie Bailey, Mrs. Eberly, Mrs. Henry Livermore, Mrs. Mary Cadnum, Mrs. Stacy Haines, Mrs. Alfred Schneider, Mrs. Dora Hilbert, Mrs. Luella Genung, Mrs. W. H. Scholten, Mrs. T. I. LaPlant and the committee, Mrs. Allen, Mrs. Nafius, and Mrs. Waterman.

Old Fashion Hay Ride Is Merry Event

An old fashion hay ride, postponed from last summer, was held last evening by a group of fellow members of Theta Sigma Gama sorority and other friends who gathered at the home of Mr. and Mrs. C. I. Dillard, 920 East Seventh street, as guests of their son-in-law and daughter, Mr. and Mrs. Donald B. Reedy (Helen Dillard).

Mrs. Reedy, who is employed in the county welfare office in San Bernardino, and Mr. Reedy, on leave from Fort MacArthur, entertained about 20 of their friends who came from Los Angeles, Riverside, Hemet and San Bernardino. The ride about the countryside on a real wagon load of hay proved a merry event. Later a buffet supper was served at the Dillard home.

Melva Jeanne Given Birthday Party

Honoring her daughter, Melva Jeanne, on her eleventh birthday anniversary, Mrs. H. B. Sisemore, 294 Tenth avenue, entertained a group of friends and her daughter's classmates recently.

Games were played and Earl Lee appeared in musical selections, he being accompanied by his mother, Mrs. Alice Lee.

Attending the happy party besides Melva Jeanne, were Barbara Stroh, Louise and Melba Burrow, Towana and Florence Coker, Barbare Seals, Betty Carter, Patty Bice, Shirley Lee, Betty Joe Pope, Celia Thompson, Genevia Carlton, Darlene Mayberry, Beverly McKean, Barbara Hall, Mrs. Jerry Cline, Garey and Ronnie Cline, Ruby Joyce and Ethel Sisemore.

Barbara Gray Enters Stanford—Honor Guest at Tea

Miss Barbara Gray, daughter of Attorney and Mrs. Edward E. Gray, 854 North Euclid avenue, left Friday for Palo Alto to enter Stanford university, where she will be a member of the sophomore class.

Miss Gray recently had the pleasure of being one of the honor guests at a delightful tea given for a group of new Stanford students by Miss Jean Johnstone, Stanford senior, at her home in Pasadena. Miss Johnstone was assisted by other seniors and the tea was planned as an advance welcome to the new university students.

Miss Gray has gone to Stanford in time to participate in the pre-registration festivities, and she had the good fortune to secure a room in Lagunita Court, popular girls' dormitory.

Miss Gray is a graduate of Chaffey high school and she had one year in Chaffey junior college.

San Antonio Chapter, D. A. R., Begins Fall Activities With Luncheon Session and Varied Program Monday Afternoon

Beginning their new year with a luncheon session held at Casa Blanca hotel in Ontario, members of San Antonio chapter, Daughters of the American Revolution, enjoyed an interesting business meeting and a diversified program Monday afternoon.

Luncheon was served at tables made gay with asters in varying shades.

Following the luncheon hour Mrs. Charles A. Mayo, chapter regent, conducted the business meeting and various matters, including actvities during the coming year, were discussed.

Mrs. W. B. Harvey, program chairman, told of plans made for the program that will be presented during the coming months.

Mrs. Marie Jesson explained her project, that of making an honor roll of the names of those members who have men folk—husbands, sons, brothers, fathers, sons-in-law—in their country's armed service, and she listed a number of names.

The program served to observe both Constitution day and California Admission day. Miss Anna Hamilton read a sketch of the life of Lafayette, Mrs. F. H. Wallihan read a paper on Constitution day and Mrs. J. I. Countryman gave the history of California's admission into the Unon as a state.

A report of the recent preliminary meeting of the representatives of the various organizations holding membership in the Woman's Auxilary of San Antonio Community hospital, was given by Mrs. Everett W. Henry.

What the chapter may do to assist in Red Cross work was dscussed by Mrs. Bruce Miller and Mrs. L. R. Nichols.

Providing a delightful lighter phase of the program, Mrs. John Grant entertained with a group of piano selections, playing "Waltz" (in A) by Levitski, "Alt Wein" (Godowski) and "Cracovienne (Padereswski). For an encore, she played a Brahms waltz.

Attending the luncheon meeting were Mrs. Mayo ,the regent; Mrs. Frank L. Allen, Miss Zephyr Allen, Miss Tessie Bennett, Mrs. E. G. Blackert, Mrs. Harry I. deBerard, Mrs. J. I. Countryman, Mrs. Alexander R. Gemmel, Mrs. Alexander Grant, Mrs. John Grant, Mrs. M. L. Gottfried, Mrs. O. K. Granger, Mrs. Walter F. Gist, Mrs. W. B. Harvey, Mrs. Everett W. Henry, Mrs. T. J. Henderson, Mrs. J. F. Hamilton, Mrs. C. C. Hamilton, Miss Annie Hamilton, Mrs. Marie Jesson, Mrs. T. I. LaPlant, Mrs. Bruce Miller, Mrs. W. A. Marten, Mrs. L. R. Nichols, Mrs. Frank S. Mrs. Garrison Guest Of Honor on Her 87th Birthday

As a happy courtesy for her mother, Mrs. J. J. Garrison of Artesia, Mrs. Alexander Grant, 2444 South Euclid avenue, was hostess Sunday at a family birthday dinner that marked her mother's eighty-seventh anniversary.

The dinner party included all the usual birthday features, a delectable dinner, a candlelighted birthday cake, many lovely gifts and happy greetings for Mrs. Garrison.

In attendance, besides Mrs. Garrison, were Mrs. Jural Kitzmiller, Mr. and Mrs. A. E. Frampton, Mr. and Mrs. Emil Fietz, Mr. and Mrs. Lee Simon, Mrs. Jack Garrison, Misses Jean and Frances Garrison, and Mrs. Glenn Curl, all of Artesia; Dr. and Mrs. William Nalin of Long Beach, Mr. and Mrs. J. Clay Garrison and George and Dick, of Victorville; Mr. and Mrs. Paul Garrison, of Hinkley; Gary Grant, and Mr. and Mrs. Grant.

Presbyterian Women Will Hear Address by Mrs. Theodor Schmid

An opportunity to hear Mrs. Theodor Schmid discuss South America as seen during her recent tour of that continent will be offered when the regular monthly meeting is held Thursday by the Presbyterian Women's association.

Mrs. Schmid, the former Mary Von Stein, with Mr. Schmid recently spent several months in South America, visiting the various countries and learning much of the people and their manner of living and thinking. Her talk will help complete the pattern of the background begun at a previous meeting for the year's study of Latin American countries.

The meeting will be held at the church, with the association president, Mrs. Merrill H. Moremen, presiding.

During the morning session reports of the Riverside Presbyterial meeting Monday will be given and at the noon hour luncheon will be served by Mrs. Archie L. Moore's group.

Mrs. Schmid will speak during the afternoon session.

The condition of Godfrey Andreas, who is at a sanitarium at Compton, is reported to be unchanged. Critically ill when he was removed there from the San Antonio Community hospital, Mr. Andreas rests easily, but he has failed to gain much in strength, it is reported. Mr. Andreas is an Upland city councilman and a former state assemblyman.

If one would be successful in the future, let him make the most of the present.—Mary Baker Eddy.

For truth and duty is it ever the fitting time; who waits until circumstances completely favor his undertaking will never accomplish anything.—Luther.

NINTH STREET AT FIRST AVENUE

LOCAL NEWS BRIEFS

Mrs. Darwin Brest is a new employe at McFadden's 5-10-25c store, she starting to work there this week.

Now in the time to set out Utah celery, lettuce and cabbage plants; per dozen 25c at Gilliland Gardens, 643 E. Foothill Blvd.—adv. 42-1

Miss Jennie Dobbs, who resides at 511 East Ninth street, has been employed by Dr. H. T. Goslin at his jewelry store. Miss Dobbs is a former Chaffey student.

Buzzy Boothe, son of Mr. and Mrs. C. B. Boothe, Fifth avenue at Foothill boulevard, suffered a fractured wrist Sunday afternoon. He fell from a tree while playing with a neighbor boy.

Bill Schneider, who is a former member of the Upland police department, and works five days a week as a supervisor at the California Institution for Men at Chino, is assisting at the Upland Furniture Co.

Mrs. James T. Settle came out from Long Beach and spent the week end with her husband's parents, Mr. and Mrs. Thos. H. Settle, 442 North Second avenue. Mr. Settle, a first lieutenant, left his base on Sept. 3 and recent word from him was received from Hawaii, where he is now stationed.

Norris Stevens is on vacation from his work as house fo for the Upland Citrus association and he and Mrs. Stevens are spending this week in Oakland and San Francisco and other northern points. They have relatives in the Bay area whom they will visit while in the north.

Mrs. A. E. Freeman of Escondido left Sunday for Los Angeles after spending more than a week with her son-in-law and daughter, Judge and Mrs. Fred H. Jacobs, 421 North Eighth avenue. In Los Angeles she will visit her niece before going on to Escondido.

Forrest Collier, who is in the U. S. navy and stationed at Dutch Harbor, arrived in Upland a few hours before the death of his father, J. L. Collier, who passed away Sunday. The son joined the navy soon after the Pearl Harbor attack and he has been stationed at the U. S. western outpost for some time. He obtained a furlough to visit his father, who had been ill for several months.

Mrs. J. F. Sawyer, 442 North Euclid avenue, is enjoying a visit this week from her sister, Mrs. C. W. Hartman of Bakersfield.

Mr. and Mrs . E. J. Zander (Louise Norton) of North Hollywood and their small daughter, Linda Rae, spent the past week end here with Mrs. Zanders' parents, Mr. and Mrs. Ray C. Norton, 793 North Euclid avenue.

Mr. and Mrs. A. Michelli of Denver, Col., are newcomers here, they having arrived last week, and are looking for a location. They are old-time friends of Harry Jenison and of Mr. and Mrs. Stanley Read, Eleventh avenue. Mr. Michelli is a printer and he was a visitor this morning at The Upland News. They have a son registered as a sophomore at Chaffey high school, and another son in the Upland Elementary school.

Robert Sawyer, who entered the army on June 2, going from Fort MacArthur to Fort Leonard Wood in Missouri, has been transferred to Fort Belvoir, W. Va., where he will enter the officers candidate school, corps of engineers. In a letter received Monday by his mother, Mrs. J. F. Sawyer, Mr. Sawyer said he now has the rank of corporal. He is on a week's furlough and is visiting in Chicago and in Washington, D. C., before reporting at Fort Belvoir on Oct. 1.

Mr. and Mrs. Geo. L. Winter returned Saturday to their home on East Ninth street after enjoying a 10 days vacation at Lake Arrowhead, where they occupied a comfortable cabin beneath the pines. The weather was perfect during the time ,the cool nights bringing touches of autumn color to some of the leaves. Mr. and Mrs. Winter especially enjoyed their hikes in the forest and during their stay walked a total of 40 miles. Lake Arrowhead, they were told, had the largest patronage in its history during the past season.

Representing Mary Brainard tent, Daughters of Union Veterans, three Upland members, Mrs. Ralph E. Peyton, president; Mrs. Sadie Benner and Mrs. David Allen were in charge of the Ontario Service clubs' canteen Sunday, serving cakes and coffee to more than 100 soldiers. Mrs. Benner today expressed her appreciation of the donations of food and money made by those to whom she explained the canteen work.

CHURCHES HONOR RETIRING RECTOR

Paying tribute to the Rev. George West Barrett, rector of St. Mark's Episcopal church, and Mrs. Barrett for both their church work and civic activities during their six years residence in Upland, more than 150 fellow citizens and members of the several churches in the community gathered Sunday evening in Fellowship hall in the Methodist church for a farewell reception.

The Rev. Mr. Barrett recently resigned his rectorship here, effective Oct. 15, and his pending departure for Monrovia, where he will become rector of St. Luke's Episcopal church, was the reason for the Sunday night gathering.

The reception was sponsored by the Upland Ministerial Union, Dr. Samuel Hughes of the Methodist church and president of the Union, being in general charge.

The arriving guests were greeted at the door by Mrs. Wiley W. Mather of the Methodist church.

The Rev. C. R. Heisey of the Brethren in Christ church was in charge of the musical program and presented a Beulah college trio, Miss Dorothy Witter, Miss Miriam Bowers and Miss Geraldine Hess, who sang two selections. Miss Hess also gave an entertaining reading.

Dr. Hughes presented the speakers, who were the Rev. Earl Salzman of the First Mennonite church, representing the ministers of the community, and Wiley W. Mather of the Methodist church, representing the laymen of the churches.

Appreciative responses were made by the Rev. Mr. and Mrs. Barrett.

Under the direction of Mrs. Frank C. Buffington, leader of the Methodist Women's organizations, representatives from the women's organizations from all of the churches served refreshments as the concluding event of the reception.

During the evening the group heartily approved a suggestion to instruct the secretary of the Ministerial Union to send a letter of greeting and an expression of appreciation to the Rev. and Mrs. Rex E. Lawhead in Burbank. The Rev. Mr. Lawhead, formerly pastor of the Upland Presbyterian church, left during the summer for his new pastorate in Burbank.

Upland-Foothill Red Cross Tie-In Planned at Meet

Cucamonga, Alta Loma and Etiwanda representatives on Sunday afternoon met with E. E. Hawthorne, chairman of Upland Red Cross disaster and relief committee, and I. T. McFadden, assistant chairman, and went over the set-up for the Upland district, of which the Foothill communities are a part.

The meeting was held to enable the Foothill representatives to organize their areas along the same lines as Upland and, at the same time, to set up a plan whereby the cooperating communities would be able to compensate the needs of one another.

N. H. Mortara represented Cucamonga; H. T. Blake, Alta Loma, and Lawrence Mueller, Etiwanda. As district members of the Upland Red Cross disaster and relief committee, they will be in charge of organizing their communities along the same lines as Upland.

BIRTHS

A baby girl arriving at the stroke of noon on Monday, September 28, was welcomed by Mr. and Mrs. Floyd Shaler, 1019 Nocta street, Ontario, the infant's birth occurring at San Antonio Community hospital.

Mr .and Mrs. Carl Hooker, 1023 South Vine street, Ontario, welcomed the birth of a baby daughter, whose arrival occurred at 4:30 p. m., Monday, September 28, at San Antonio Community hospital.

Mr. and Mrs. Roy Smith, 519 South Palm avenue, Ontario, early this morning, September 29, became proud parents of a son, the baby's arrival occurring at San Antonio Community hospital.

There is a new grandfather in the Atwood family (take a bow Grandpa Glenn)—well, perhaps it should first be said that Judith Kay Atwood, all 7 pounds 11½ ounces of her, arrived at 1:15 a. m. Saturday morning, September 26, much to the joy of Mr. and Mrs. Robert Atwood, 3734 Ramsdell avenue, Verdugo City, her natal debut taking place at San Antonio Community hospital. Mr. and Mrs. Glenn M. Atwood, 1644 North Euclid avenue, are the proud paternal grandparents, while William Kieser, Santa Monica, is the maternal grandfather. Grandfather Glenn took the news in stride, but in his haste to spread it sprained his ankle. However, he is doing well along with the new granddaughter.

Twin sons were born to Mr. and Mrs. A. Chris Daniels, 1455 North Euclid avenue, on Saturday afternoon, September 26, being the fifth set of twins to arrive at San Antonio Community hospital this year. William Thomas, five-pound twin, was claimed by death Sunday afternoon, and is survived by Richard Christopher, 4 pounds 11 ounces, who is doing well in every respect, it is reported. Private services today for the deceased twin are in charge of the J. B. Draper company. Mr. Daniels is business manager of Chaffey junior college.

Mr. and Mrs. Howard A. White, 651 C street, Chino, are the happy parents of a daughter, Sheryl Diane, whose birth occurred at 6:35 a. m. on Sunday, September 27, at Green Memorial hospital.

Mrs. Ellery F. Wright of the Magnolia Federal Savings and Loan association, returned to her office Monday after enjoying a two weeks vacation. The first week Mrs. Wright spent in San Francisco, being the guest of several friends there. Last week she enjoyed a quiet rest at her home, 401 North Euclid avenue.

WANTED—Witness to collision in front of Clint's market on Ninth street late Saturday, Sept. 19. Please communicate. 315-128. 42-1

This is a fair land, in which women who have driven cars for 25 years are just learning what's under the hood.

MENTAL MARVEL TO COME HERE FRIDAY

Wm. W. Lord, known as one of the greatest mental marvels of the century, will appear before an Upland audience Friday evening in one of the strangest demonstrations of mind control ever seen here.

Mr. Lord will be presented in the Beulah college church auditorium, corner F street and Third avenue, under the auspices of Beulah college, his program beginning at 7:45.

Juggling his mental processes in a manner even more baffling than the dexterity of the most expert magician, the mental wizard astounds his audiences by performing such feats as writing two letters on unrelated subjects (one with each hand), carrying on a conversation and mentally solving a complicated mathematical problem—all at the same time.

Mr. Lord, who has just completed his third enlistment in the United tSates army, has entertained and mystified large audiences throughout the United States and in Europe. He has been featured by both Bob Ripley's "Believe It or Not" and John Hix's "Strange As It Seems" columns.

Mr. Lord's program sets a new high in demonstration of "divided concentration" and his audience marvels to see in action a mind so thoroughly trained and disciplined—and so fully used. His performances leave one with the sense of having momentarily glimpsed strange vistas opening into the vast reaches of the human mind.

GRIDDERS GIVEN SUITS; ELEVENS PLAY AT CHAFFEY

There's going to be football at Chaffey even though it will not be of the Citrus Belt league variety.

Approximately 75 prospective players were out for practice this afternoon. Nearly 40 suits were issued yesterday afternoon to the junior college squad and at the high school 28 juniors and seniors were issued uniforms.

An additional number of suits were given out prior to practice this afternoon.. Jack White is the jaysee coach and Howard L. Mitchell is directing the high school upper classmen, and Karl Kaiser will coach the freshmen and sophomore teams.

High school gridders will practice during the final period in the afternoon and junior college players will be on the gridiron from 4:15 to 5:30 p. m.

Several squads will be formed among the high school players, with teams of more or less equal strength pitted against each other, according to the plans outlined by Mr. Mitchell.

Football playing is part of the intensified intramural program that is being instituted in place of Citrus Belt league competition. Other schools in the league are either cancelling their games or preparing to participate in a curtailed athletic program.

The junior college squad is scheduled to play army teams, if final arrangements can be completed.

Methodist Circles Will Meet Thursday In Regular Session

Thursday is the day for the regular meetings of the four circles of the Local Social Service Group of the Methodist church.

East Side circle will hold an afternoon session, meeting at 2 o'clock at the home of Mrs. Thos. H. Settle, 442 North Second avenue.

The Willing Workers circle will meet at the home of Mrs. Dora Hilbert, 248 North Euclid avenue, where a 30c luncheon will be served. Members are to bring their table service.

Meeting of the N. E. W. circle will be held at the home of Mrs. Flora S. Allen, 640 North Third avenue. A contributed dish luncheon will precede the business session.

Orange Drive circle will meet for a 30c luncheon and business session at the home of Mrs. W. H. Spicer, 1010 West Fifteenth street. Members are to bring their table service.

NO. 14664
NOTICE TO CREDITORS

In the Matter of the Estate of GUST HOLMBERG, ska GUSTAF HOLMBERG, Deceased

NOTICE is hereby given by the undersigned Maynard Holmberg, as the Executor of the Estate of Gust Holmberg, ska, Gustaf Holmberg, deceased, to the creditors of and all persons having claims against the said deceased, to present them, with the necessary vouchers, within six months after the first publication of this notice, to said Maynard Holmberg, at the office of Henry M. Busch, Attorney at Law, 243 E. Ninth Street, Upland, California, which said office the undersigned selects as a place of business in all matters connected with said estate, or to file them with the necessary vouchers, within six months after the first publication of this notice, in the office of the Clerk of the Superior Court of the State of California, in and for the County of San Bernardino.

Dated: September 14, 1942.

MAYNARD HOLMBERG,
As Executor of the Estate of Gust Holmberg, ska, Gustaf Holmberg, Deceased.
HENRY M. BUSCH, 243 E. Ninth Street, Upland, California, Attorney for said Executor.
First Publication September 15, 1942. 38-4TO

Draft Board Chairman Visits Trona To Study Vital Chemical Operations

Thomas E. Howarton, chairman of Upland Selective Service Board 149, got into his seven-league boots last week—or, rather, his trusty, rubber-shod car, and accompanied by Mrs. Howarton, made a three-day trip to Trona, Westend and Argus, in the far northern reaches of San Bernardino county, some 170 miles distant, to make a survey of industrial requirements in relation to the operation of selective service.

Concerned with administration of the draft board in the best interests of the nation, Mr. Howarton's principal object was to study the effect of the draft on the production of vital war materials in Searles valley and, as well, to assist men in that district.

MEETS OFFICIALS

During his stay in the chemical city, Mr. Howarton conferred with A. C. Peterson, personnel manager of the American Potash and Chemical company, and other officials of the concern, including Vice-President Frederic Vieweg, Chief Engineer Walter Libbey, and A. F. Nathan, public relations head. He also met with Henry D. Helimers, general manager of the Westend Chemical company plant.

Mr. Howarton reports that he and Mrs. Howarton received a royal welcome in the desert twin cities of Trona and Westend. "They are a lot of swell people up there," he commented.

TOURS PLANT

He was taken on tours of the American Potash and Chemical company and Westend Chemical company plants, witnessing every operation of manufacture, which casual visitors to the plants never see. He also saw the operation of special machinery built especially for certain processing at the Trona plant.

This machinery, he emphasized, adds much to his responsibility as head of the draft board. There is no other machinery like it anywhere else, so that those who operate it have to be trained at the plant. Consequently, he pointed out, care has to be exercised not to cripple plant production by drafting vital workmen, as no trained persons can be obtained elsewhere to replace certain ones.

PERSONAL VISIT HELPFUL

Hence, he considers his personal contact with problems at the chemical plants very helpful, since his decisions must be made nearly 200 miles distant. During his visit in Trona he also devoted two hours between shifts to an open forum meeting with plant employes, answering their many questions and helping to solve their problems relating to selective service.

Distances seemed to be one of the least considerations taken into account by those who laid out the Upland board, but it certainly is a consideration of the first water, Mr. Howarton declares, when tire mileage to familiarize oneself with the problems of the district are recorded.

Now in the "old days" when one could travel at the state speed limit and buy tires at every service station along the way, the trip to Trona was just a hop and a skip over yonder mountains. But asked how far it was to Trona Mr. Howarton exclaimed: "Well, you just try it at 35 miles per hour!"

Mr. Howarton was conducted on his survey of Trona by Judge Edward A. Donohoe and various department heads. Mrs. Howarton was entertained by Mrs. Frederic Vieweg. While on their official visit, they were guests at the executive mansion.

FIRE TRUCK IS GIVEN APPROVAL

(Continued from Page 1)

ment Upland's fire protection.

TO BE EQUIPPED AT ONCE

The three-quarter-ton truck chassis will be equipped at once as a pumper unit, and put into service as soon as possible. It will be fitted with a 90 gallon pump and a 110 gallon water tank, enabling it to attach to city water hydrants or to act as a complete and independent fire fighting unit in itself.

Truck installation will include a hose reel and 200 feet of three-quarter-inch hose. It also will carry back pumps with which to equip fire fighters, as well as shovels and axes for their use. The city has on hand all equipment necessary for outfitting the new fire truck.

VALUABLE ADDITION

Not only will the new addition to the fire department be invaluable in combating fires such as the Standlea plant blaze, which ignited many spot fires in the neighborhood requiring available, mobile equipment, but it also will effect a great saving in the use of the city's heavy fire fighting apparatus.

The truck will be used by Chief Voth to go on all first alarm fires, many of which can be subdued with this type of equipment. It also will be used on brush fires, in which its mobility is of great advantage, and which type of fire also accounts for the greatest number of alarms during the season.

Need for increase in the number of pieces of fire apparatus available was demonstrated during the past summer, when fire apparatus at one fire had to be dispatched on a second alarm in another part of the city, it is pointed out by Chief Voth. Now Upland will have additional, necessary protection, he said.

Chris Thudium Is Called; Services Held This Morning

Following a long period of ill health, Chris Thudium, well known resident of Upland for a number of years, passed away at 12:20 a. m. Saturday, Sept. 26, at his home, 165 North First avenue.

Mr. Thudium was born in Arena, Wis., and was 80 years of age. He was a retired railroad man and farmer .

Coming to Upland from Arena 22 years ago he had made his home here since that time and although he lived quietly, still he became well known and made many friends here.

Surviving Mr. Thudium are his wife, a daughter, Mrs. H. B. Hamilton of Upland; two sons, L. G. Thumium of Ontario and E. T. Thudium of Barstow; a sister, Miss Tillie Thudium of Arena, Wis.; a brother, William Thudium of Karbal, Colo., and seven grandchildren.

Mr. Thudium was a member of the Advent Christian church in LaVerne.

Funeral service was held at 10:30 this morning in Stone's chapel, with the Rev. Alvin E. Lobb of Pasadena Advent Christian church officiating in the absence of the LaVerne pastor.

Music was provided by Mrs. Florence V. Howard, who sang "Lead Kindly Light" and "Comfort in Affliction". She was accompanied by Mrs. Veta Vroman.

Pallbearers were the two sons, L. G. and E. T. Thudium; the son-in-law, H. B. Hamilton, and a grandson, Paul Hamilton.

Interment occurred in Bellevue cemetery.

USO DANCE WILL CONTINUE FRIDAY

Calling all girls! There will be another USO dance this Friday night for men of the Ontario Observation Airdrome.

Locale of the Friday night dance will be announced in Friday's issue of The News. Girls who can attend the dance and wish to know ahead of time where it will be given may call Mrs. Theodore Combs, 318-448. The time will be the same as in the past, 8 to 11 p. m.

An extra attraction is promised for this Friday, with the announcement that Lynn Peters and his orchestra have volunteered to supply dance music for the occasion, contributing their effort toward local entertainment of service men.

Couples who won prizes at the dance last Friday include Miss Olive Bryant and Private Perkol; Miss Evelyn Hendy and Private Earl Werner; Miss Rita Waldaphal and Private Frank Polizzi; Miss Elaine Evans and Private Aldon Lockwood, and Miss Paula Ann Hughes and Private Raymondo Orlando.

Special musical entertainment numbers were supplied during the intermission by Private Giganti and three fellow-soldier musicians from the airdrome.

Bethany Union Aid Sponsors Event As Christmas Benefit

Members of the Ladies Aid society of Bethany Union church on San Antonio Heights need some money to ship their Christmas box to the Kentucky mountain mission that they help to support.

As a means of securing the needed funds they are arranging a community dinner and social gathering to be held Friday evening in the church dining hall.

A contributed dish dinner will be served, with the committee in charge providing the rolls, butter, coffee and pies. The other dishes are to be supplied by the guests, the neighbors of the community.

Mr. and Mrs. Beare To Talk Wednesday At Church Service

Mr. and Mrs. George Beare, recently returned from their mission station in India, will be the speakers at the Wednesday evening service at the Brethren-in-Christ church, it was announced this morning by the pastor, the Rev. C. R. Heisey.

Mr. and Mrs. Beare have spent a number of years in India and they recently were evacuated from that country, spending many weeks on the war-infested ocean on their long voyage home. They will have much to tell, both of their mission work and of present conditions in India.

The returned missionaries are now visiting with Mrs. Beare's father, B. P. Swartzendruber and Mrs. Swartzendruber at their home, 690 North First avenue.

They will go to Los Angeles Friday to assume the pastorate of the Calvary Mennonite church in that city and they also will attend the Los Angeles Bible Institute, doing part time work.

James L. Collier Called; Rites To Occur Wednesday

James L. Collier passed away at 10 o'clock Sunday night at his home, 821 North Second avenue, his death following an illness of a year's duration. He was 69 years of age.

Mr. Collier was a native of Mills, Mo., and was a retired farmer. He had lived in Upland for 12 years, coming here from Carver, Mo. He was a member of the Mennonite church.

Surviving Mr. Collier are his daughter, Mrs. J. B. Martin, of Waterloo, Ontario, Canada, who has been here with her father for five weeks, and seven sons, Robert O., Ralph L., Carl W., and George Phillip Collier, all of Upland; John A. Collier of Ontario; Private Dan Collier of Fort Lawton, Wash., and Forrest V. Collier, seaman second class, of Dutch Harbor, Alaska; two brothers, M. B. and William Collier, in Missouri, and 14 grandchildren.

Funeral service will be held at 2:30 Wednesday afternoon in the First Mennonite church, with the pastor, the Rev. Earl Salzman, officiating.

Interment will occur in Bellevue cemetery.

The Stone funeral home is in charge of arrangements.

About 62 per cent of the Southern California valencia crop was shipped before the first of September.
